

CLOUDS

Oculus Rift Instructions

When a new viewer arrives...

- 1) Ensure the CLOUDS title text is visible. If not press ENTER or ESC.
- 2) Hold the headset straight forward and press 0 to center the view.
- 3) Hand the headset to the viewer and assist them to adjust it.
- 4) Instruct the viewer to move their head left and right to first pop the circles, then ask a question.
- 5) Place the headphones on their ears and let them go.
